Dear Freind:

I just received a letter from Jacksonville, telling me you were going to play there Easter Sunday. This made me decide to write you and find out what the possibilities were for us to play some games during training season.

I have made arrangements to train in Jacksonville, and plan to open camp April 1st. Do you plan to train there or are you just going to play some games in the city?

Were you planning to play another league team Easter Sunday, or one of the local teams. Even if we cannot get together on that date, maybe we will be able to arrange for some others.

I will appreciate hearing from you as soon as you can let me know what is possible.

I understand we are meeting Feb. 20th. I hope it will not be any later. I would like to have my plans under way by that time. Looking to hear from you, wishing you good health,

Very Truly Yours
